Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

I was unable to identify any comparable sales within a 2km radius over the past six months. The vendor is aware of my original price assessment based on the available market evidence. However, they have expressed a desire to test the market and determine whether a higher sale price can be achieved.
