Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

90 Bruckner Dr offers 2 ensuites and 1 main bathroom, which is not consistent with properties sold within the relevant period.

90 Bruckner Dr also offers a unique land composition which is not standard within the relevant area.

The combination of such features makes 90 Bruckner Dr unique to properties sold within the relevant area and time.
